

Woodford County Middle School PTO

100 Schoolhouse Road Versailles, KY 40383

ABOUT US

Purpose

Our purpose is to support WCMS in its educational and special activities needs with financial contributions and adult volunteerism. We provide opportunities for families to participate directly in the school environment and collaborate with administrators/faculty in striving toward the best possible educational experience for each student.

PTO Meetings

Parents/guardians of WCMS students are always welcome and encouraged to attend our monthly general meetings held in the school library at 7 p.m. Please see our home page for the schedule of meeting dates.

Fundraising

We do our own fundraising and we do not give money to any organizations other than WCMS. We have three different fundraising mechanisms:

- 1) PTO Membership sales - \$3 individual member / \$5 family memberships
- 2) Sales of our WCMS T-shirts and hooded sweatshirts
- 3) Asking for voluntary donations from parents/guardians/families of students

Budget

We create and approve our budget each autumn. Any parent or guardian wishing to obtain a current copy of our budget may do so by attending any PTO general meeting.

Volunteers

WCMS and the PTO offer a wide range of volunteer opportunities. Some examples are helping the front office staff with bulletin boards, seasonal decorations, making copies and other projects, leading a library book discussion group, donating food, drinks or prizes when needed and staffing special functions. A volunteer sign-up sheet is sent home with every student during the first week of school. Volunteer opportunities also appear on the [WCMS News](#) daily e-mails.

All volunteers must first have a Kentucky criminal record background check completed. The background check is free and easy to arrange in-person with the front office secretary. Processing takes about 6 weeks.

Volunteerism is encouraged and always greatly appreciated. Please get involved with our school – we need you!
